Re: FEMA FOIA Case Number 2019-FEFO-00035

Dear Ms. Cafasso:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), dated October 10, 2018 and received in this office on October 10, 2018. You are seeking All e-mail communications from September 1, 2018, through September 30, 2018, between all political appointees or career members of the SES in the following FEMA offices:

- a) The Immediate Office of the Administrator, including the Office of the Chief of Staff;
- b) The Immediate Office of the Deputy Administrator;
- c) The Office of External Affairs;
- d) The immediate office of the Associate Administrator for the Office of Response and Recovery;
- e) The immediate office of the Deputy Associate Administrator for the Office of Response and Recovery; and
- f) The immediate office of the Regional Administrator for Region Four;

And any of the following offices and persons:

- i) Congressman David Rouzer or anyone from his office, including but not limited to Melissa Murphy, Jason Cooke, and Ian Whitson;
- ii) Congressman Mark Walker or anyone from his office, including but not limited to Scott Luginbill, Ryan Walker, and Joshua Woodward;

- iii) Congressman Richard Hudson or anyone from his office, including but not limited to Chris Carter, Preston Bell, Kayla Dolan, and Shaun Taylor;
- iv) Congressman George Holding or anyone from his office, including but not limited to Tucker Knott, Curtis Rhyne, and John Caison;
- v) Congressman James Clyburn or anyone from his office, including but not limited to Yelberton Watkins, Craig Link, and Lin Whitehouse;
- vi) Congressman Patrick McHenry or anyone from his office, including but not limited to Jeff Butler, Matt Mulder, Chris Worrell, and Krista Stafford;
- vii) Congressman G.K. Butterfield or anyone from his office, including but not limited to Troy Clair, Saul Hernandez, Kyle L. Parker, and Dennis Sills;
- viii) Congresswoman Virginia Foxx or anyone from her office, including but not limited to Cyrus Artz, Carson Middleton, and Jason Harvey;

- xiii) Senator Thom Tillis or anyone from his office, including but not limited to Ted Lehman, Courtney Temple, Corey Brown, Bill Bode, and anyone whose email ends in @tillis.senate.gov; or
- xiv) Senator Tim Scott or anyone from his office, including but not limited to Jennifer DeCasper, Charles Cogar, Shay Hawkins, Emily Lavery, Kate Hunter, and anyone whose email ends in @scott.senate.gov.

Specifically you seek all messages on which a political appointee appears (whether in the to, from, cc, or bcc field), as well as all prior messages (whether incoming or outgoing) reflected in the responsive correspondence and any attachments thereto.

A search of FEMA's Office of Chief Information Officer for documents responsive to your request produced a total of 32 pages. Of those pages, I have determined that 12 pages of the

records are releasable in their entirety and 20 pages are partially releasable pursuant to Title 5 U.S.C. § 552 (b)(6), FOIA Exemption 6.

FOIA Exemption 6 exempts from disclosure of personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

You have the right to appeal if you disagree with FEMA's response. The procedure for administrative appeals is outlined in the DHS regulations at 6 C.F.R. § 5.8. In the event you wish to submit an appeal, we encourage you to both state the reason(s) you believe FEMA's initial determination on your FOIA request was erroneous in your correspondence, and include a copy of this letter with your appeal. Should you wish to do so, you must send your appeal within 90 days from the date of this letter to fema-foia@fema.dhs.gov, or alternatively, via mail at the following address:

Hey folks I've just gotten word from Betty Jo Shepherd that Lumbee Tribal Chairman Harvey Godwin has spoken with Senator Burr with concerns that the FEMA assistance team leader assigned to the tribe does not have direct knowledge / experience with tribal relations.

Can you assist with any perspective on how this may be addressed and what the overall team profile may encompass?

Hey folks I've just gotten word from Betty Jo Shepherd that Lumbee Tribal Chairman Harvey Godwin has spoken with Senator Burr with concerns that the FEMA assistance team leader assigned to the tribe does not have direct knowledge / experience with tribal relations.

Can you assist with any perspective on how this may be addressed and what the overall team profile may encompass?

Thanks All--
